The Lois Ferrari Memorial Art Scholarship is given in memory of former Cape Fear Studios member artist Lois Ferrari, who was an integral part of what we do and who we are. It is in the amount of **\$500** and is to go to a college student in need of money to **help pay for their art education supplies.**

In addition to the \$500 monetary scholarship, we would also like to feature the recipient as our Artist of the Month in our January or February show. This would include 4 or 5 works hung on our back Artist of the Month wall, as well as an artist statement and an artist picture. This show would be in conjunction with our usual 4th Friday monthly event, with the artist being here for the opening of the show that Friday night.

Note: Applicants should see attached Visiting Artist Contract and hanging requirements.

Criteria

- Rising Methodist College, Fayetteville State University, or Fayetteville Technical Community College **sophomore, junior, or senior**
- Visual Arts major with a focus in **2D, sculpture, pottery, photography, or computer graphics**
